## **BRG Kings Island Golf Resort – a rare 55-hole 3-terrain golf course in Vietnam**

Located in Dong Mo (Hanoi), BRG Kings Island Golf Resort is one of the most scenic golf courses in Southeast Asia with 55 holes on 3 different terrains, including: Lakeside (Dong Mo lake terrain), Mountainview (landscape with surrounding trees) and Kings Course (included the iconic 19 hole).

## **BRG Legend Hill Golf Resort – the first “twin green” golf course designed by Nicklaus Design in Vietnam and Asia**

Instead of having only 1 green like traditional golf courses, at BRG Legend Hill Golf Resort, golfers will have a new experience when trying out the Twin greens, 36 greens in 18 holes. The golf course is highly appreciated by professional players for its challenge, worthy of the best design concept in Vietnam.

## **BRG Ruby Tree Golf Resort with travelling style, bending along the Do Son sea**

Designed by Pacific Coast Design - one of the world famous golf course designers from Australia, BRG Ruby Tree Golf Resort has 18 holes located right next to Do Son sea, Hai Phong. The course is golfer's favorite because of its sport & leisure style.

## **BRG Danang Golf Resort - an unique masterpiece designed by 2 golf legends Jack Nicklaus and Greg Norman**

At BRG Da Nang Golf Resort, Nicklaus Course is the first course with bulkhead style in Asia. Besides, Norman Course with classic coastal design, brings back the past experience when played on the world's first golf courses. The combination of two classy golf courses makes BRG Danang a "must visit" location for both domestic and international golfers.
